

STEP 1 - Pick a Team

Team Snow Trails

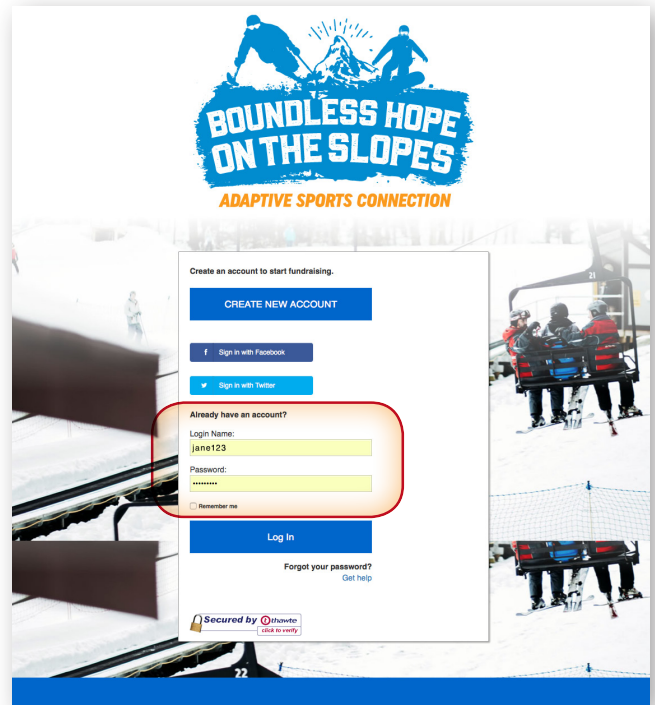

<https://taasc.z2systems.com/publicFundraiserList.jsp?campaignId=36&>

or

Team Mad River

<https://taasc.z2systems.com/publicFundraiserList.jsp?campaignId=37&>

Login with your existing login name and password (*the one you use to register for events*) if you already have one, or Create a new account.

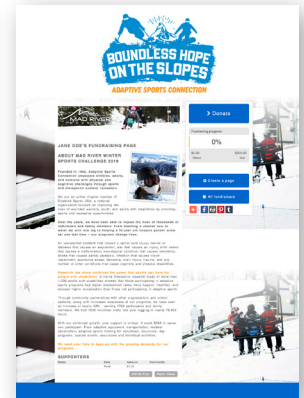

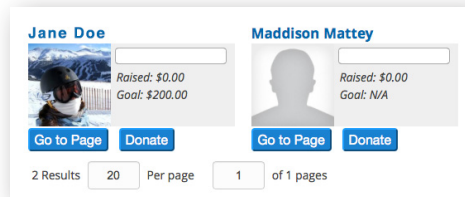

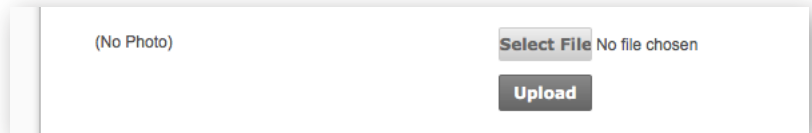

STEP 2 - Customize your page!

Come up with a name for your fundraising page. It defaults to your name, but if you want to be creative, you can write in a custom name.

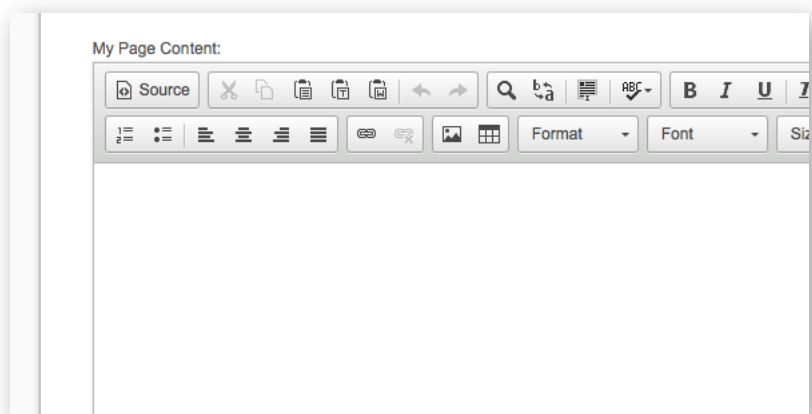

Set a fundraising goal amount!

STEP 2 - Customize your page!

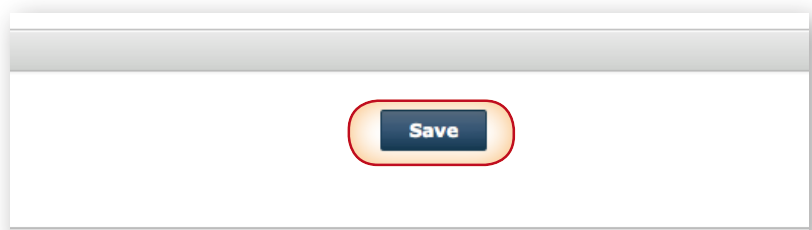

Upload a picture of yourself!
We recommend using a picture of you at an Adaptive Sports Connection event! This will be your profile image and appear on your fundraising page.

Write your story!
Tell everyone why you love Adaptive Sports Connection, how you got involved, and why you keep coming back!

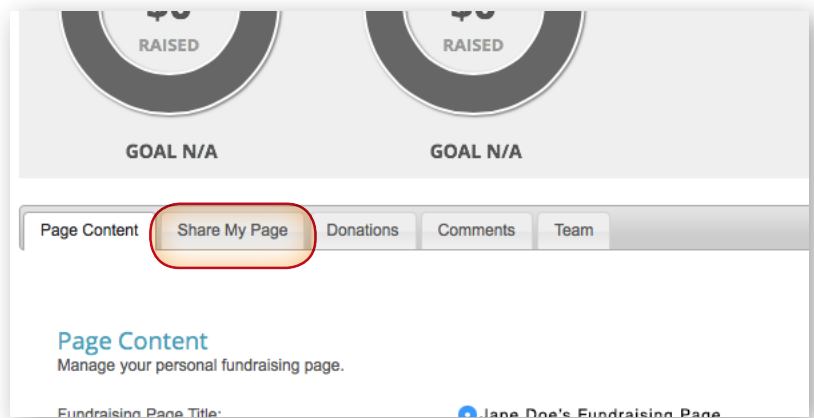

Make sure to click save when you are done!

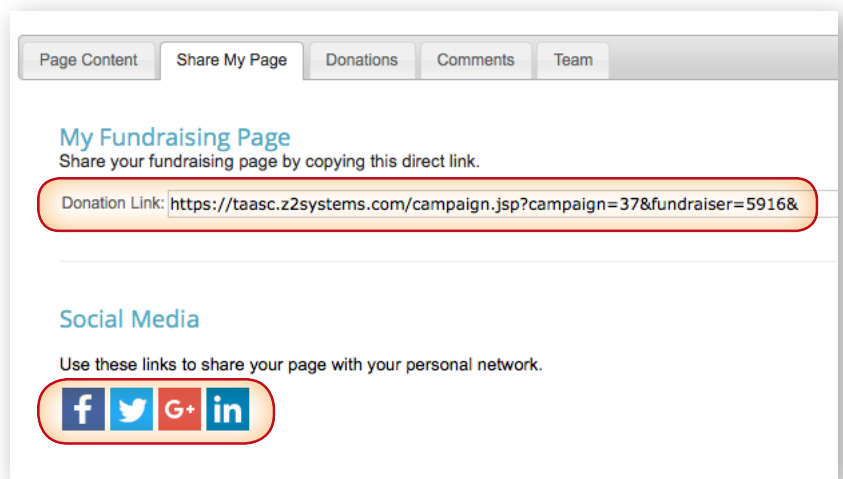

STEP 3 - Share your page!

Click the "Share My Page" tab to get to the sharing links

Share your page by copy and pasting the "Donation Link" into emails, facebook posts etc. or just click the "Social Media" links to get started!

To see what your page will look like to your friends, click the "View My Fundraising Page" box located in the upper right corner of the page.
